

Wyoming State Engineer's Office

NOTICE OF COMPLETION OF THE APPLICATION OF WATER TO BENEFICIAL USE

Surface Water Division
Herschler Building 2W
Cheyenne, Wyoming 82002

This form is to be completed with the date water was used for the purpose or purposes specified in the referenced permit.

This form should not be completed until: 1) all set-out lands have been irrigated; or 2) beneficial use made at all proposed points of use; or 3) the maximum water use allowed under the permit is developed.

If these items cannot be completed by the expiration date for completion of beneficial use of water given on the permit, an extension of time must be requested.

IF THIS NOTICE IS NOT RETURNED OR AN EXTENSION OF TIME IS NOT REQUESTED BEFORE THE EXPIRATION DATE, YOUR PERMIT WILL BE SUBJECT TO CANCELLATION.

If your plans have changed and you have only completed part of the proposed work or uses, please send an elimination form along with this completed form to correct the record to what actually exists on the ground.

I hereby notify you that on (mm/dd/yyyy) I completed the application of water for beneficial use under the terms of Permit No., on the

(facility name). Which is appropriating water from (source name). County
