Re Proposed Name Changes to Devils Tower summit and populated area

Dear Boards of Geographic Names,

The Board of County Commissioners in and for Crook County, Wyoming is in the process of obtaining local input concerning the proposed name changes to the summit and populated area from the local populace. They plan on gathering information over the summer so that they can make an informed decision to give the Wyoming Board of Geographic Names at their November meeting and to the US Board of Geographic Names. They hope to be able to vote at their September meeting.

Thank you once again for appearing last month by telephone to explain the process. If you have any question or have any notices please send them to me.

Sincerely

Joseph M. Baron
