The Wyoming State Engineer's Office and the State Board of Control intend to promulgate rules to amend Chapter 1, "Fees", of the State Engineer's Office's rules. In 2017, the Wyoming Legislature amended multiple statutes which shifted the responsibility for payment of water right adjudication advertisement fees from the County where the water right is located to the appropriator who holds the water right. Both the Statement of Principal Reasons and the proposed rules can be viewed and/or downloaded from the State Engineer's Office website at <http://seo.state.wy.us/>, or the Secretary of State Website at <https://rules.wyo.gov/>. A copy of the proposed rules may also be obtained at the offices of the Wyoming State Board of Control, 122 West 25th Street, Herschler Building 1W, Cheyenne, WY 82002. If you have questions regarding the proposed rule changes, or to request a hard copy of any of the materials, please contact Nancy McCann at 307-777-5958.

The proposed rules will be open for public inspection and comment for at least 45 days, commencing on June 21, 2017, and ending on September 12, 2017. Any person may present their written comments on the proposed rules by emailing to seo.rules@wyo.gov. Any person may also send written comments on the proposed rules to the attention of Nancy McCann, Wyoming State Engineer's Office, 122 West 25th Street, Herschler Building 1W, Cheyenne, Wyoming 82002. Written comments must be filed no later than September 12, 2017.
